

HARSHAL MALKAN

Front End Developer

7767812988 • hmalkan759@gmail.com • <https://www.linkedin.com/in/harshal-malkan-a594b01a4>
• Mumbai, Maharashtra, India

Skills

JavaScript • React • TypeScript • Next.js • HTML5 • CSS3 • SCSS • Tailwind CSS • Adobe Experience Manager • Git • Postman • REST APIs • GraphQL

Professional Summary

Frontend Developer with close to 3 years of experience delivering performant, scalable, and user-centric web solutions, primarily using Adobe Experience Manager. Proven track record of building and optimizing production-grade websites, marketing platforms, and e-commerce interfaces. Seeking to transition into a Software Development Engineer role with deeper involvement in full-stack and product-based development.

Experience

Junior Developer

Mumbai, Maharashtra, India

DEPT Agency (formerly Tekno Point)

10/2022 - Present

A global digital agency delivering end-to-end experiences through technology, creativity, and data.

- Birla Opus (Aditya Birla Group): Developed and maintained key modules for their first-ever digital paints e-commerce platform. Implemented a full user journey including product selection with color variants, cart-to-checkout flow, payment integration, and wishlist features. Built reusable frontend utilities using GraphQL and internal libraries, enabling faster development cycles across multiple projects. Contributed to both marketing and transactional sections, focusing on performance and responsiveness.
- HDFC Home Loans / HDFC Bank: Migrated existing websites to Adobe Experience Manager and contributed significantly to calculators, lead forms, and redesign implementations using JavaScript.
- Other Projects: Built React-based UI components for a browser extension aimed at displaying contextual offers. Integrated mock APIs and developed initial interactive features.

Trainee Developer

Mumbai, Maharashtra, India

Tekno Point

07/2022 - 10/2022

A leading digital transformation company specializing in Adobe Experience Cloud implementations.

- Trained in frontend fundamentals and Adobe Experience Manager.
- Began self-learning React and Next.js alongside core responsibilities.

Website Manager

Mumbai, Maharashtra, India

TEDxUPG Event (Internship)

10/2021 - 02/2022

An independently organized TED event showcasing ideas worth spreading through local talks and performances.

- Developed and managed a static site using HTML5, CSS3, JavaScript, and AOS.js animations.
- Took ownership of blog and newsletter features based on PHP and SQL and ensured timely delivery of the website for the event.

Education

SVKM's Usha Pravin Gandhi College of Arts, Science and Commerce

Bachelor's of Science in Information Technology - 9.73 CGPA

07/2019 - 05/2022

Certifications

React JS - The Complete Guide by Maximilian Schwarzmüller (Udemy)

Complete Javascript Course by Jonas Schmedtmann (Udemy)
